SO WHAT CAN WE OFFER YOU AS INDIVIDUAL MEMBERS OF PARTICIPATING NATIONAL SOCIETIES?

Same Rate Agreement

All members of the following societies will pay the same rate as the national members when registering for the scientific conferences of the participating national scientific events. So allowing members to register for scientific meeting of European societies with ease and less expense and promoting collegiality. We wish to thank all these societies and presidents for their cooperation. More information please email secretary@feo-online.com

Code of Ethics

In 2017, an interest was expressed by FEO in developing a common Code of Ethics for each Scientific Societies, who are members of FEO regarding the organization of Scientific events especially regarding commercial sponsorship. Feedback was sought from each society about their Laws, regulations and protocols for dealing with sponsorship from Commercial companies. This was done through initially through a questionnaire to FEO members. Results of the initial questionnaire will be presented at next FEO General Assembly in Nuremburg, 2019 and afterwards a series of recommendations will be sent to the Societies for a better control of the relationships between Commercial Dental Companies and Orthodontic Societies.

By Laws Reform

The constitution and by laws of the FEO society has been reformed in May 2019 by the Bylaws committee. These propositions have been circulated to all FEO members for comments before September 2019. These reforms will be voted at the next General Assembly meeting in Nuremberg.

Continuing Education Questionnaire

Assessment of Continuous Professional Education requirements across European Societies was sought by the form of questionnaire to members individual societies. The results were presented to EFOSA meeting in Nice June 2019 and will discussed at the next General Assembly Meeting in Nuremberg.
